Task 3

Just when demographers are ~~alarmed~~ ringing alarm bells about overpopulation and ~~collapse~~ ^{collapse} founder? Jeff Bezos says we need to populate our solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see, you know, a trillion humans living in the solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts and 1000 Einsteins. Space would be full of life and intelligence and energy". He added that he wants to help "building heavy infrastructure that will be used by the space intergenerations of future generations... saw that engineered new attended... can really be uplifted."

Mister Bezos thoughts are accused by fellow multi-billionaire Elon Musk, owner of EKS (family known as Twitter). In 2021 he said of the human race: "We don't want to be one of those single-planet species; we want to be a multi-planet species". Early... Mister Musk wants that: "population collapse due to low... is a much bigger risk to civilization than global warming... mark these words". Mister Bezos can see... of people living in giant space stations. He said most inhabitants of these would visit the Earth for vacations. He envisions our planet returning to its

mining environment as factories would be built in space. He said they would exploit resources on the Moon or on asteroids instead of using...

Task 4

In a vibrant coast town, Zoe, young chef with extraordinary talent, thrived. Fascinated by exotic flavors, she dedicated her life to creating innovative dishes, her skills far surpass those of her traditional colleagues.

One brisk morning, Zoe embarked on spontaneous quest for a culinary inspiration. Driven by her passion for unique ingredients, she explored the local markets and remote fishermen villages. She wandered through the bustling bayside, her senses were alight with array of spices and fresh seafood. Her search brought her to a hidden cove at dawn, just as fishermen brought in their early catch.

There, Zoe discovered a rare fish, its flavor unlike anything she have ever tasted. This discovery ignited burst of creativity: ocean's bounty was exhilarating, but there were unexpected findings that truly inspired her. Zoe's culinary adventures, blending traditional techniques with avant-garde tastes, soon became legendary, inspiring others to explore and embrace diverse flavors of world.

Task 9

It was ~~the~~ time for summer practice. Students from local university went to the woods for researches for their works. ~~Everything was fine at first, Kate even made friends with one guy named~~ They were exploring the woods, when Kate suddenly realized that she had lost her copybook. ~~Kate and Lisa~~ decided to look for it. ~~It was late in the evening when they finally found it.~~ It was late when she found it.

But something was wrong. ~~She and Lisa~~ couldn't find ~~the~~ way back. ~~They were lost in the woods.~~ However, ~~she~~ managed to calm ~~her~~ down and ~~they~~ continued ~~her~~ attempts to find the way out.

Suddenly ~~they~~ met an old man. He asked ~~them~~ about ~~her~~ problem and decided to help. ~~They~~ ^{he} gave her some instructions and directions, ~~and~~ continued ~~her~~ way. ~~They~~ were rather contented now, as they ~~knew~~ where to go.

After some time ~~they~~ found ~~themselves~~ standing in front of a muddy river. Even though ~~they~~ ^{she} had followed all the instructions of the old man, ~~they~~ ^{she} failed and she was really disappointed with her now.

That very moment while Kate ~~and Lisa~~ were standing on the bank of the river, the old man appeared once again. He was laughing.

As it turned out later this old man was their professor and he just wanted to teach his students how to deal with wildlife. In the end, a misadventure turned adventure.
