Task 7.

Despite the fact that there're many ^{amenities} ~~amenities~~ in big cities, there're also several reasons to hate living there. Actually, ^{many} citizens scatter from the air pollution. Another ^{important} issue is the place of living. If a person lives in the suburbs, he will have to use public transport to go to the city center. ^{But} If he lives in the center, he will face the difficulty of the noise from the crowded streets and traffic jams.

Task 8

~~Today there'~~

Today there are many teenagers' daily activities connected with the

Internet.

Firstly, 73 % of teens are on social networks because they can make friends online. Secondly, 37 % of teens send messages to friends every day. It is so because they want to express their desire to keep in touch. Moreover, the average teen has 201 Facebook friends. because Facebook ^{always} provides with a chance to know someone & new. Actually, 22 % of teenagers log on to Facebook over 10 times per day because of the need to answer on the new messages from friends. Some of the users (25 %) are under the

age of 10. Facebook is an extremely popular social network so many children want to use it as well. However, just 8% of American teens use Twitter. Twitter is less popular among teens and consequently is less useful.

All in all, social media much more teenagers start using social networks on a regular basis.
