Task 3

There has been a spike of muggings in cities across the globe as muggers are focusing on a new item to steal - luxury coats. In recent weeks, people in London, Washington DC and other metropolitan areas have been robbed of their coats at knife point. One man in Birmingham in the UK was slashed across his face as thieves made off with his jacket. Criminals are targeting coats that cost as much as \$2,200 each. As well as literally stealing the coats off people's backs, thieves are breaking

into people's vehicles. Professor David Wilson, a criminologist at Birmingham City University, warned that the ruggings were the start of a new "luring criminality". He said the thefts were "worrying".

Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that: "Thieves choose to target Rolex watches which go for thousands of ~~dollars~~ pounds and sell them online." An Indian transport spokesperson said: "Canada goose coats are targeted for robbery. It's a real

concern too as because it really impacts the safety of young people on the network." She added that this "acquisitive crime" was "very concerning, intimidating and frightening".

Task 4

In a verdant, age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she spent evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differing greatly from her peers, who preferred the forest's tranquil life.

On one clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She leapt over streams and navigated through ~~deep~~ dense underbrush, her heart pounded with excitement. Her adventure ~~took~~ had taken

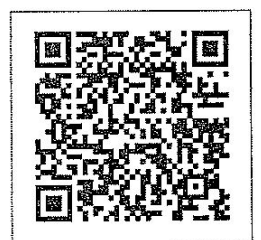

her to the tallest hill in the forest, just as dawn's first light crept over the horizon.

There, Luna beheld a sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. This moment of awe brought a profound realization: stars are mesmerizing, but her own world is equally splendid. Luna's story, a blend of celestial wonder and earthly beauty, became an enduring legend, inspiring all to appreciate the magic of both the distant dreams and the beauty close at hand.

Task 8

Texas is an agrarian state located deep in the US south. It is also one of, if not the biggest state in the entire country. Texans are known to support the NRA and be very "pro-gun".

The state of New York is disliked by many, firstly, because of the climate, as it is a northern state. Secondly, the rent is very high and even unaffordable for some.

Ohio was a very unassuming agrarian state mostly famous for potatoes, but that all changed when a slew of Internet memes took the world by storm and made it somewhat notorious.

The most famous thing in Utah are the Amish, a ^{religious} ~~Christian~~ fellowship that absolutely denounces any and all modern technology and instead chooses to live a simplistic and somewhat primitive life.

Michigan is a northern state located near The Great Lakes. It is one of the leading fighters against the invasive silurid carp that has been absolutely decimating American rivers, lakes and spillways.

Task 2

"The Day Everything Went Wrong
(But Ended Right)".

I woke up and it was a great, relaxing summer day, until I'd realised that I'd overslept and failed ~~to~~ show up ~~to~~ work. In my sleepy stupor, I bolted to the kitchen. Not to mention ~~being~~ looking rather unkempt, I was also, save for a t-shirt, buck-naked. To my absolute horror, mother dearest, who was supposed to be away at that time, sat at the kitchen table merrily sipping away at her morning coffee. Our eyes met

for just a split second, though that was enough for a lifetime of embarrassment. After all of this running around, I decided to finally take a shower, shave my beard and clothe myself in something at least half-decent. Having accomplished that task and thinking this day can't get any worse, I ~~unsuspec~~ unsuspectingly went outside for some fresh air. On the aforementioned walk I got hit by an e-scooter and had a whole cup of some careless middle-aged woman's latte splattered across my chest. The hot causticated menace both ruined my clothes and sent me to the ER. The nurse that cared for me was really sweet, so I got her number and, well, the rest is history. When we told this story to our firstborn, he was on the floor laughing.

hysterically. That's when I realized that day
was the best thing that's ever happened to
me.
