Guided by constellations, she ventured beyond known paths. She leaped over streams and navigated through denses underbrushed, her heart pounded with the excitement. Her adventure took her to the tallest hill in the forest, just as dawn's first light crept over the horizon.

There, Luna beheld^a sunrise of an unimaginable beauty, a kaleidoscope of colors that stirred her soul. Instead of a ^{possession} pretty statue of angel it was a Grinch T-shirt that was supposed to be gifted to Liam's grandfather, who instead got a pair of candles. That meant, there was a possibility that Liam gave wrong presents to everyone! So, that day he spent calling everybody and carefully asking, 'Did you like the present?' Thankfully, he found out that less than half of the presents got to the wrong destination and almost all of them were socks and candles, so nobody even ^{suspected} thought that they got a wrong present gift.
