Task 3

Just when demographers are ringing alarm bells about overpopulation, amazon founder Jeff Bezos says we need to populate our solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied, "I would love to see, you know, a trillion humans living in the solar system. If we had a trillion humans, we would have at any given time thousand Mozarts and thousand Einsteins ... space would be full of life and intelligence and energy". He added that he wants to ~~build~~ help "build heavy infrastructure that will be used by the space entrepreneurs of future generations... so that ingenuity and imagination can really be unleashed."

Task 4

In a vibrant coastal town, Zoe, a young chef with an extraordinary talent, thrived. Fascinated by exotic flavors, she dedicated her life to creating innovative dishes, her skills further surpassed those of her traditionalist colleagues.

One brisk morning, Zoe embarked on a spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she explored the local markets and remote fishing villages. She wandered through the bustling bazaars, her senses aligned with the array of spices and fresh seafood. Her search brought her to a hidden cove at dawn, just as the fishermen were bringing in their catch.

There, Zoe discovered rare fish, its flavor was unlike anything she had ever tasted. This discovery ignited a burst of creativity: the ocean's bounty was exhilarating, but there were the unexpected finds that truly inspired her. Zoe's culinary adventures blended traditional techniques with ~~avant-garde~~ avant-garde tastes, soon becoming legendary, inspired others to explore and embrace diverse flavors of the world.

Task 9

A Misadventure Turned Adventure

Once upon a time, one little spoiled girl Lily set off to Hawaii with her parents. They were huge lovers of travelling, thus they anticipated the whole family would have a whale of a time on the island. However, Lily cried on the way there and prayed something was going to occur to send her home earlier.

After the entire day of travelling, the Crimson family was finally at their hotel. "Lily, let's go to the beach!" called the father. But Lily refused ~~to~~ and stayed inside for the rest of the day.

The next morning Lily decided to give it a shot and leave the hotel. Before you could say Jack Robinson, the girl was already playing at the beach and making new friends. "How funny could it be," laughed Lily's father, "Look at her smiling. She's the happiest person alive!"

As the vacation was drawing to a close, Lily started to get a little distraught. "Why can't we stay longer? I wish I hadn't spent the first day inside," cried Lily. Nevertheless, the girl's attitude towards travelling drastically changed and she was already looking for the next trip!
