Just when demographers are ringing alarm bells

about overpopulation, Amazon founder Jeff Bezos says we need to populate our solar system. Mr Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see, ~~just~~ ^{you know}, a ~~trillion~~ ^{trillion} humans living in ~~the~~ solar system. If we had a trillion humans, we would have at any given time 1000 Mozarts and 1000 Einsteins. Space would be full of life and intelligence and energy." He added that he wants to help "build heavy infrastructure that will be used by the space entrepreneurs of future generations, so that ingenuity ^{and} imagination can really be unleashed."

Mr Bezos' thoughts are echoed by fellow multi-billionaire Elon Musk, owner of Ex (family known as Twitter). In 2021, he said of the human ^{race} ~~cause~~: "We don't want to be ~~gone~~ one

by those single-planet species; we want to be a multi-planet species." Earlier this year, Mr Musk warned that: "Population collapse due to low birth rates is a much bigger risk to civilization global warming much these words." Mr Becas ~~can~~ ^{conceives} ~~see~~ of people living in giant space stations. He said most inhabitants of these would visit Earth for vacations. He envisions our planet returning to its presteen environment, as factories would be built in space. He said they would exploit resources on the Moon or on asteroids instead of using up Earth's

Task 4.

In a vibrant coast town, Zoe, a young chef with an extraordinary talents, thrived. Fascinated by exotic flavors, she dedicated her life to creating innovative dishes, her skills far surpassed those of her traditionalist

colleagues.

One brisk^{ing} morning, Zoe embarked on a spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she explored local markets and remote fish villages. She was wandering through bustling bazaars, her senses alighted with ^{an} array of spices and fresh seafood. Her search brought her to a hidden cove at dawn, just as fishermen brought in their early catch.

There, Zoe discovered a rare fish, its flavor unlike she had ever tasted. This discovery ignited a burst of creativity: ocean's bounty was exhilarating, but there were unexpected finds that truly inspired her. Zoe's culinary adventures, blending traditional techniques with avant-garde tastes, soon became legendary, inspiring others to explore and embrace diverse flavors of world.

A Misadventure Turned Adventure

Once, two students, named Charles and Garry embarked on a gripping journey to ~~Grand Canyon~~ ^{Texas, Grand Canyon} from New York. Everything was absolutely normal, their flight should be at 10 am. They arrived at the airport on time. Standing in a long queue, pals felt something unusual, but payed no attention to it as they got up early, were hungry and had an argument this morning. The airport workers were exhausted by their night shift, so they didn't notice that our travellers should have flown to Arizona, not to Texas. After two hours of flight Charles and Garry went off the plane and came out to

the city. They were ~~totally~~ taken aback! As the friends were fatigued, they decided not to ~~fly~~ ^{wait} for another flight to Arizona and explored the city of Texas. To their surprise, an ~~international~~ festival had recently begun. So, they attended horse riding as a part of it. No one expected that they would be chosen to ride a horse in front of viewers. The main thing ~~was~~ ^{was} that our heroes ~~couldn't~~ do that. So when they first sat on a horse, they just fell ~~down~~ ^{However,} ~~But~~ two attempts later, after endless laugh of public spectators, they managed to ride a horse. The friends were so jubilant that they rode away on their horses to Arizona. What a fascinating ~~adventure~~ ^{adventure!}

Task 8.

Delaware: Delaware is considered the first state where the Constitution ~~was in fact~~ the Declaration of Independence was signed there in 1776, that's why it is also known as the Constitution state among the Americans.

Hawaii: Hawaii is known as the Aloha State among the Americans. It is quite popular by its volcanoes. There is the Volcanoes National Park there. Volcanic eruptions take place there as well.

California: California is ~~known~~ ^{best known} as the Golden State to many people. Los Angeles, where the famous Hollywood is located, is involved ~~the or the main~~ one of California cities. Hollywood films are well known all over the world.

Alaska: Alaska is known as the Last Frontier as it hasn't got borders with other US states. One interesting fact is that Alaska was a part of Russia until the second part of the nineteenth century.

Arizona: Arizona is known as the Grand Canyon state because the Grand Canyon - a unique nature object is situated there. It is included in UNESCO heritage. ~~the Grand Canyon is there are no similar sites in the world.~~
