Luna, rabbit unlike any other, lived in verdant, old forest. Mesmerized by the night sky, she used to spend evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity was endless and she differed ^{greatly} ~~from~~ at that point from her peers, who preferred an ordinary forest's tranquil life.

One clear night, Luna embarked on unexpected journey. Guided by constellations, she ventured beyond unknown paths. She leaped over streams and her heart was pounding with excitement by her being navigated ~~through~~ through dense underbrush. Her adventure took her to the tallest hill in the forest, right when the dawn's first light crept over the horizon.

There, Luna beheld a sunrise of unimaginable beauty, it was truly a kaleidoscope of colors that stirred her soul. This moment of awe brought her profound realization: stars can mesmerize but her own world is equally splendid. Luna's story, a blend of celestial wonder and earthly beauty, became an endure legend, which has inspired everyone to appreciate magic of both distant dreams and also hand close beauty.

This day I had a job Interview. What could've been worse! ^{It was super important for me, I was preparing} ~~And due to me preparing all the night~~ ^{for it the whole} ~~I overslept and~~ night, making my speech, collecting

all my rewards and thinking about my best shorts. And because of that I overslept this morning. I thought it was an end of the world so I started getting ready in a rush, totally forgetting about my ironed and clean modest clothes. I put my casual clothes and ran to grab a coffee. Of course I spilled it all over my white T-shirt but couldn't do anything with it and just ran to the bus station. When finally arriving to the office ^{building} ~~at~~ ^{early} 20 minutes late I entered the building and interviewer said that they had some unexpected troubles with light so I was right in time. She looked at my outfit and I thought that ~~now~~ I was going to die from embarrassment but she just smiled and invited me to the interviewing room. I tried to be as much honest as could and when she asked me if I got any questions I asked everything ~~that~~ that interested me. Even such a to-the-point question as "What career opportunities will I have while working in your company?" Of course, once these words came out my ^{mouth} I regretted even coming here today and left the office feeling extra frustrated. But when ~~the~~ I've got a reply email a few days later they told me that their company is cherishing a casual atmosphere so they really liked how I was dressed saying they were looking for such a creative and ambitious person. I was totally shocked but still glad that even though everything went wrong in the beginning but eventually ended right.
