Task 7.

In my opinion, the reasons she could give are:

- in the countryside there are less opportunities to work and study than in the city;
- in the countryside there ~~are no~~ arent any entertainments such as cinemas, shopping malls and theatres;
- sometimes it is hard to get to the nearby city from the countryside;
- despite the fact that atmosphere and soil in the countryside is less polluted, you have to work harder and take care of the animals and garden.

Task 8.

Daily routine is ~~very~~ important ~~for everybody~~, but especially for teenagers. Their growing bodies need the particular amount of time to sleep, to do sports, ~~to~~ eat and ~~at~~ rest. However, adolescents need to study and socialize^{as well} as well.

In the diagram sleeping has the prioritised position (30%). This activity is crucial for teenagers' health, so it takes the most time.

Eating is the essential part of teenagers' lives. Food gives them energy and ~~all the minerals~~ their bodies "crave". That's why it takes 15%.

Studying and Homework takes 15%. To my mind, ~~The reason is that~~ This amount of time ~~won't~~ ^{youngsters} harm their mental health. This way teenagers won't overstudy and "burn out".

In my opinion, videogames give time to rest and relax. So, they take 10%.

Online time is important as teenagers can look through the news and search for the information. Time on phone or texting is useful as teenagers communicate and socialize. Sport maintains teenagers' bodies fit. ~~All of them~~ (10% for each).

Everybody should keep daily routine.
