Task 4. In a verdant, old-aged forest, resided Luna, rabbit unlike any other. Mesmerized by the night sky, she spent evenings gazing at the stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differently great from her peers, who preferred forest's tranquil life.

At a one clear night, Luna embarked on unexpected journey. Guided by constellations, she ventured beyond known paths. She leaped over streams and navigated through dense underbrush, her heart pound with excitement. Her adventure took her to the tallest hill in the forest. Just as dawn as the first light creeps over the horizon.

There, Luna beheld sunrise of unimaginable beauty, kaleidoscope of colors that stirred her soul. This moment of awe brought profound realization: stars are mesmerizing, but her own world is equally splendid. Luna's story, a blend of celestial wonder and earthly beauty, became an enduring legend, inspiring all to appreciate magic of both distant dreams and beauty close to the hand.

Task 9 It was cold December night, 3AM. I ^{woke} ~~got~~ up so early to catch the first train to my favourite camp. However, things didn't all went easy. It was not only the cold ~~December~~ night but the night where the largest amount of snow fell ~~in Moscow~~ in Moscow in ^{the} previous 70 years. I had a heavy suitcase, but I didn't realise how hard was it ^{to carry} ~~in~~ until I needed to go with it for 5 kilometres to the train station with 30 centimetres of snow above the ground. ~~While~~ While I was walking towards train station, I met some drunk and high guys that wanted to get my bag and a suitcase. I ran for about 15 minutes and lost them. It was ^{the} time I realised that my train is departing soon and I won't be on time without a taxi. However, because of the weather conditions and nighttime, taxi costed like a liver but I had no choice. At the time I was ready to board a train, it had ~~been~~ ^{been} already departed so I exchanged my tickets for the next train that was departing in one hour. I was late for the check-in, but it ~~wasn't~~ wasn't important for me at that time. The reason for it is that I have met my friends and spend with them the rest of that day and ~~the following week~~, was ready to spend the following week.
