Professor Wilson wound those with high-earned winter jackets to be careful. He said: "I would tell anyone wearing Canada goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be for aparchunists who might try to steal them". He added that: "Thieves just to target rolex watches which go for thousands of pounds and then sell

them on line". A London transport ~~spoke~~^{spokes} person said: "Canada goose coats are targeted for robbery. light ~~at~~ has crept over the horizon.

There, Luna beheld the sunrise of unimaginable
beauty, kaleidoscope of colours that ~~had~~ stirred her

tion: stars were mesmerizing, but her own world was
