→ Professor Wilson warned those with high-end winter jackets to be careful. He said: "I would tell anyone wearing Canada Goose branded jackets to be careful and be aware of your surroundings and who is around you. You have to be vigilant for opportunists who might try to steal them." He added that: "thieves used to target Rolex ~~watch~~ watches which go for thousands of pounds and then sell them online." Task 4

In a verdant, age-old forest, there resided Luna, a rabbit unlike any other. Mesmerized by the night sky, she would spend evenings gazing at stars, dreaming of cosmic mysteries. Her curiosity was insatiable, differing greatly from her peers, who preferred the forest's tranquil life.

On one clear night, Luna embarked on an unexpected journey. Guided by constellations, she ventured beyond known paths. She leapt over streams and navigated through dense underbrush, her heart pounded with excitement. Her adventure took her to the tallest hill in the forest, just as the dawn's first light crept over the horizon.

There, Luna beheld a sunrise of unimaginable beauty, a kaleidoscope of colors that stirred her soul. This moment of awe brought a profound realization: stars can be mesmerizing, but her own world would be as equally splendid. Luna's story, a blend of celestial wonder and earthly beauty, ~~became~~ became an enduring legend, inspiring all to appreciate the magic of both ^{the} distant dreams and ^{the} beauty close at hand.
