As a careful and always following the rules person, I took my sneakers as the second part of shoes. I was ashamed and shocked when I found slippers instead of them in my bag! Probably, I was drowsy yesterday and I had taken a wrong thing. I couldn't do anything but to put them on. Fortunately nobody didn't notice it. This day I had a P.E. class. How irritated I was! That day when everything has gone wrong! I come up to my teacher and told him about my situation. He laughed at me but allowed to go home. Finally, in the evening I was watching films. It wasn't a bad day. However, I started to check the things I'm gonna take in advance.
