Task 3. Just when demagregers are ringing alarm bells

about overpopulation, amazing founder Jeff Bezos says we need to populate our solar system. Mister Bezos was asked for his thoughts on humanity living in outer space in a thousand years time. He replied: "I would love to see, you know, a trillion humans living in the solar system. If we had a trillion humans, we would have at any ~~moatsarts~~ and given time 1,000 moatsarts and 1,000 inestines... space would be full of life and intelligence and energy." He added that he wants to help "build heavy infrastructure that will be used by the space entrepreneurs of future generations... so that ingenuaty and imagination can really be unlished."

Mister Bezos's thoughts are occured by fellow multi-billioner Elon Mask, owner of X~~ex~~ (formally known as Twitter). In 2021, he ~~sayed~~ said of the human race: "We don't want to be one of those

single-planet species; we want to be a multi-planet species." Earlier ~~desire~~ this year, mister Musk warned that: "Population collapse due to low birth rates is a much bigger risk to civilization than global warming... mark these words." Mister Besas concerves of people living in giant space stations. He said most inhabitants of these would visit Earth for vacations. He invisions our planet returning to its pristing environment, as factories would be built in space. He said they would exploit resources on the Moon or on asteroids instead of using up Earths.

Task 4. In a vibrant coast town, Zoe, a young chef with an extraordinary talent, thrives. Fascinated by exotic flavors, she dedicates her life to create innovative dishes, her ~~skittes~~ skills further surpass these of her traditionalistic colleagues.

One brisk morning, Zoe embarked on a spontaneous quest for culinary inspiration. Driven by her passion for unique ingredients, she explored local markets and remote fish villages. She wandered through bustling bazaars, her senses alighted with the array of spices and fresh seafood. Her search brought her to a hidden cove at dawn, just as fishermen brought in their early catch.

There, Zoe discovered a rare fish, its flavor unlike anything she had ever tasted. That discovery ignited a burst of creativity: ocean's bounty was exhilarating, but there were unexpected finds that truly inspired her. Zoe's culinary adventures, blended traditional techniques with avant-garde tastes, soon became legendary, inspired others to explore and embrace the ~~diversity~~ diversity of diverse flavors of the world.

Task 9.

A Misadventure Turned Adventure.

One day, Mr. Black made up his mind to go on a trip

to Germany. He bought a ticket. Suddenly, it appeared that his bag was broken. This way, he purchased the one in the famous shopping mall. At the same time one man also bought a ticket to Germany. He was looking for his bag and didn't find it. So, he travelled to the shopping centre and found a bag on sale. Later both men arrived at the airport, checked in and in a while came to Germany. At the German airport they were waiting for someone but left their luggage. Mr. Black was already looking for his wife and the other man went to the toilet. The one of them took his bag and went to the entrance. In a few minutes, Mr. Black came home. And imagine what? He found out it was not his baggage! Luckily, he noticed a card with the phone number there. He called him and explained the situation. Soon they met and started to laugh constantly. Their bags were same!
