Then I went to school. Everything was fine until I realized that there was nobody at school apart from some teachers and security. I quickly looked at my phone and saw that it was Saturday. I had to return home which was too far away. That was awful because of the rain on the way back to home. Moreover, I missed a bus and stayed there waiting for an hour for the next one. But when I finally arrived I became so cheerful to see my old friend. We hadn't seen each other for four years. We spent the whole day together, I told her about my unlucky ~~start of the day~~ ^{morning} and we laughed ~~much~~ at that much.

In conclusion, I want to advise my readers not to be upset about these kind of days as there is a chance to get thrilled due to the end of the day.
