Вариант 1

Task 1

Answer: adult, average, colleague, import, moral

Task 2

a) • While I was walking along a forest path, I noticed something extremely strange: an enormous brown animal was crawling through the forest.

• Firstly, I felt really curious, however after a while, I slowly understood, that it was nothing, but a bear. My emotions quickly switched. Now I felt scared.

• In that stressful situation I barely knew what to do. But somehow, I ran as fast as I could and climbed a tree.

b) All in all, I could say that it was one of the most remarkable moments of my whole life. I have never experienced that sort of emotions before: it was both exciting and stressful. But despite this fact, I do not want it to happen again.

Task 4

1. 1) The rule: conditionals

2) My example: if it rains tomorrow, I won't go for a walk.

2. 1) The rule: Past Perfect Tense.

2) I was delighted, because I had got a good mark at school.

3. 1) The rule: Present Continuous

2) My example: I am coming home from my trip next month.

Task 5.

1) am showed under

2) ~~haven't ran~~ have ran out of time.

3) on the bread line

4) am in the red.

Task 6.

a) 3, quote 1

b) 2, quote 3

c) 1, quote 2

Task 3.

1) The first statement is false, because it is mentioned in the text that: „human activity has been a major cause since the industrial age”, which wasn't recently.

2) It's false, because raising sea levels is the result of the Earth becoming warmer, not cooler, as it is mentioned in the second statement.

~~3)~~

4) It's false, because trees absorb carbon dioxide while they are growing, not when they are cut down.

5) It is true, because the ^{author of the} text ^{that} remarks: „climate change has already impacted ecosystems and communities worldwide”.

7) The statement is false, because „businesses are also

responsible for setting and following guidelines," while the statement tells that they are not.

6) The sixth statement is also false, because special agreements are not a local initiative, but they're worldwide and "aim to unite ~~cont~~ countries."

9) This statement is false, because the text mentions that education on the significance of these climate issues is essential and necessary for future generations.

10) NG

5) This statement is true, because "individuals can also play a role" by "choosing public transport over a personal vehicle" so it will reduce the effects of climate change.

3) The third statement is false, because solar power is not the only alternative that was mentioned. ~~There was~~ also Wind power was also mentioned in the text.

Task 7.

- 1) is a bordered monarchy
- 2) is King George
- 3) takes a small part.
- 4) in the House of Lords is about 150.
- 5) The members of the House of Commons are elected by the members of the House of Lords.
