1 вариант

Task 1.

Adult, average

Task 2.

I was walking along a forest path. Suddenly I saw two baby foxes. They were very ~~not~~ beautiful. I wondered they're finding their mother. She must have been killed by the hunters.

Their eyes expressed sadness and ~~the~~ disappointment.

I was so sorry about foxes' tragedy. I wanted to bring them to my home to give them mother's love which they have lost.

I knew they were wild animals. ~~and~~ <sup>If</sup> I had come to them ~~earlier~~, they would have bitten me. That's why I called my friend who was vet doctor. ~~and~~ <sup>He</sup> he promised ~~me~~ his command would help ~~with~~ cubs.

In conclusion, I want to say that it was a good day because the animals were saved. I'm so happy about it. I decided that the forest walking was absolutely better than street walking. I'm so exciting and I feel how I'm falling in love with nature.

Task 3.

- 1) False. Because human activity has been a major cause since the industrial age. People have had influence on the nature for many years.
- 2) Not given.
- 3) True. Because solar power is really one alternative to fossil fuels mentioned in the text. It was <sup>also</sup> <sup>together</sup> written with wind.
- 4) Not given.
- 5) True. Because when the author of the text was writing about changing people's daily habits, he also mentioned this <sup>one</sup> ~~answer~~ phrase.
- 6) False. Because special agreements are <sup>not</sup> a local initiative to improve

urban standards. They aim to unite countries in reducing global warming.

e) False. Because the author of the text has written that businesses are also responsible for setting and following ~~guide~~ guidelines to curb emissions.

f) True. Because the author of the text has written that climate change has already impacted ecosystems and communities worldwide. That's why it's true.

g) False. Education about climate isn't considered unnecessary in the text. ~~The~~ It was written that it is necessary for future generations. That's why it's false.

h) False. Because ~~the text doesn't~~ there is ~~not~~ no words about animals. The author didn't write about the fact that some species have become extinct to climate change.

Task 4.

1) The rule: Conditions

The example: If I were you, I would do it.

2) The rule: Past Perfect Tense

The example: He said that he had seen me before.

3) The rule: Present Continuous / Expression<sup>ng</sup> future with present continuous.

The example: We are going to divorce.

Task 5.

1) I am snowed under with work.

2) We had run out of time on our workday.

3) Many people living on the bread line.

4) Now I am in the red.

Task 6:

1 - c, quote 2

2 - b, quote 3

3 - a, quote 1

### Task 7.

The United Kingdom of Great Britain is a parliament monarchy. It is governed with a liberal democracy. The current monarch is King Charles. In practice, the monarch takes a little part in the government's work. The prime minister has a lot of duties. The House of Lords is composed by people from the highest class, and it is not elected by the people members. The members of the House of Commons are elected by the people members.
