№1.

Adult, colleague & ~~colleague~~

№2.

a) • As I was walking back home I heard lumberjacks working with chainsaws. * They were cutting down some trees, when I noticed a little squirrel in front of me.

• I knew she had no place to stay as her home was demolished. I felt so sorry and I was so upset as she had to face such challenge.

• I decided to take her home ~~because~~ because it was raining and she had to sleep outside.

The next day she found a new home, but we are ~~still~~ still friends.

b) When I was going home, I heard some lumberjacks working. Then I noticed a little squirrel that did not have home now. I felt extremely sorry for her. I was so upset, that I even took her ^{to my} home. Next morning she left, but we are still friends.

v3.

1. I chose false as it is clearly said that ~~that~~ ~~in a bad way~~ ~~in a bad way~~ humanity started influencing climate since the Industrial age.

2. I chose false option too as it is said that sea level raises ~~because~~ because of the phenomenon, and this phenomenon is climate change.

3. I chose true as it is said in the text, that people should switch to renewable energy and then author wrote solar power as an example.

4. This statement is false as deforestation contributes to climate change ~~because~~ as trees are able to absorb carbon dioxide but are being cut down.

5. This statement is true as using less transport makes less pollution and ~~less~~ carbon dioxide is produced. This statement is in the text ~~with~~ with close meaning too.

6. This statement is false as: 'special agreements ~~can~~ aim to unite countries in reducing global warming' according to the text.

7. As author says: 'Governments and businesses are also responsible for setting and following guidelines to curb emissions.' ~~so~~ In this case, the statement is false.

d. not stated

9. This statement is completely false as author states that: 'Education on the significance of these climate issue is essential'.
