ПОДПИСЬ УЧАСТНИКА

Вариант 1.

Task 1.

Adult, colleague, import

Task 3.

1. True. It is true because human activities have begun influencing since the industrial age. In the past climate change had only referred to changes in nature but not human activities.
2. False. It is false because the excessive levels of greenhouse gases warm the planet. This phenomenon leads to many problems including rising sea levels.
3. False. It is false because solar power is not the only one alternative to fossil fuels. For example, wind power can be an alternative too.
4. True. It is ~~true~~ because trees absorb carbon dioxide but when they are cut down they ~~release~~ release carbon dioxide into the atmosphere.

5. True. It is true because using public transport could involve using less electricity, recycling waste and save ~~ext~~ the ecology of a little town or a big country.

6. False. It is false because special agreements are a global initiative to reduce ~~global warming~~ not only urban environmental problems, but global warming.

7. False. It is false because ^{governments} ~~but~~ businesses are also responsible for setting and following guidelines to curb emissions.

8. True. It is true because climate change has already impacted ecosystems and communities worldwide. As the time goes, the changes will be more harmful to our ecosystems.

9. False. It is false because the text says: "Education on the significance of these climate issues is essential." So, education about climate is ~~nesse~~ necessary.

10. Not stated. It is not stated because there was no information about animal species extinction or cen-

tain animal species.

Task 4.

1. Conditionals (1 - first; 2 - second; 3 - second; 4 - third).

If the water is heated to one hundred degrees, it boils. (First Conditional)

If I were you, I would go to the cinema. (Second Conditional)

I would have met him ~~if~~ if I had visited the UK.

2. Past Perfect Tense

I was very upset because I had lost my keys.

3. Present Continuous Tense

He is being happy these days because he won the lottery.

Task 5

1. I am snowed under

2. run out of time

3. on the bread line

4. am in the red

Task №6

1 - c; Quote 2

2 - b; Quote 3

3 - a; Quote 1.

Task №7.

Correct information:

The UK is an absolute monarchy.
It is governed within liberal democracy.
The head of the state is monarch
who is a hereditary member of the
Royal Family. The current monarch
is King Richard.

Task 3

4. Not stated. It is not stated
because the text says that
trees absorb carbon dioxide
but ~~but~~ not release it into the
atmosphere.

Task 2.

- I saw a lot of different bottles with the odd liquid, sparkles that were melting in the ^{air} and flowers. There was a big pan with the boiling water.
- I was very frightened and confused because ~~I expected to see that~~ ^{it was} not that I expected to see. However, However, I was very excited at the same time.
- I ^{ed} ~~was~~ looking around and got closer. ~~I~~ Then I took some flowers and went home. When I told my mum about this place she did not believe me.

Suddenly, I heard a whisper ^{from} from the woods. I went there to take a look. I saw a lot of dif bottles with some liquid, sparkles and flowers. I was frightened and excited at the same time. I looked around and grabbed some flowers. ~~When I and~~ went home.
