Task 1. Adult, to export, import.

Task 2.

Once I was walking along the forest path and took pictures of the winter forest. Suddenly, I noticed a movement between the trees.

I felt a primal fear because this path was hidden in the deep of the forest, and located in 25 miles away from the nearest village.

Fortunately, I wasn't ~~that far~~ too far from my car, that I parked at the beginning of the path. When I get home, I read news about wolf packs in that forest.

In conclusion, I'd like to say that I was really lucky, because wolves are really good hunters. Firstly, they seek ~~for~~ for their victim, ~~and~~ secondly they spectate for the victim, ~~then~~ thirdly they force you to go to the trap, and finally they attack. Not many people survive after meeting a wolf pack.
