Task 1

Attention, deliberate, apartment

Task 2

Once I was climbing a hill in central park, and suddenly I noticed a young girl, crying loudly and looking for her parents.

I felt sad and lonely while looking at her. I imagined myself in her case, and for me it was scary and shocking to be lost.

I asked the girl if she remember where she had gone and at least how it happened. We went down the hill and asked the administration to report.

It was satisfying for me to look how the family was united again and the girl was hugging with her parents. I understood that helping people is an action of kindness and brave. Not everyone are able to help others, but ~~the~~ the kindness can save the world.
