Вариант 1

Task 1

Adult, average, to export, import, moral

Task 2

a) I was walking along the forest path. Suddenly I heard a strange noise from the deep of woods. I went through them and realised that someone was singing.

I was really ~~and~~ shocked and astonished because the singer's voice was incredibly beautiful, charming and mysterious. I thought that this could be a fairy and felt excited.

I've been deciding for a long time should I go to the sound or stay here and don't disturb singer. Unfortunately, I didn't come closer because of my shyness.

b) This stroll was like a part from fairytale. I had a lot of ~~thoughts~~ thoughts and dreams about that for next month. It was the most

gorgeous voice I ^{have} ~~was~~ ever heard before. And still I am really impressed by it.

Task 3.

1. False. According to the text, human activity has been a major problem and influenced since the industrial age, not by recent.
2. False. This statement is false, because rising sea level is the result of the Earth warming up, but not cooling down.
3. True. The third statement is true. According to the text, solar power mentions as one of the examples of reducing emissions.
4. False. This statement is false, because trees absorb carbon dioxide from the atmosphere and when they are cut down, they stop doing this.
5. True. This statement is true, because choosing public transport instead of a personal vehicle is a very good decision for exposing less emissions.
6. According to the text, special agreements are not a local initiative. Special agreements aim to unite countries, so it is a global world.

project. (False)

7. False. Text says that government and businesses are also responsible for following guidelines to curb emissions, so this statement is not true.

8. According to the text, climate change has already impacted all ecosystems and societies around the world, so now we can see the result of this impact. (False)

9. False. This statement is wrong. According to the text, education on the significance of climate issues is essential and necessary for future generations.

10. Not given. There are not any mentions in this text about certain animal species have become extinct to climate change. Only ecosystems are mentioned there.

Task 4.

1) Conditionals (0, 1, 2)

If I had finished my education well, I would have gone to university.

2) Past Perfect Tense

I checked ~~my~~ my daughters email which she had sent me recently.

3) Present Continuous

She is ~~going to buy a car~~ buying a new car next Sunday.
