Task 1.

Adult, colleague, monotonous

Task 2.

a) • Suddenly I saw a giant bear. His scream was too loud. I didn't understand why he was screaming, but then I saw his injured leg.

• I felt awful, I was scared. There were a lot of bad things on my mind. My legs were shaking. I thought, that it was the end of my life.

• I remembered my dad's advice. He said: "If you see a wild animal, you have to make noise.". I screamed, jumped, clapped my hands and the bear ran away.

b) Last summer I walked along a forest path. Suddenly I saw a giant screaming bear. I didn't know how to save my life. Then I remembered my dad's advice: "If you see a wild animal, you have to make noise". I clapped my hands and he finally ran away.

### Task 3

- 1) False. In my opinion it is false, because human activities has been a major cause since the industrial age and it was in the last century!
