задание 2.

Task 1.

Attention, deliberate, apartment, to
import, record.

Task 2.

a) I was climbing a hill and
suddenly, I heard a strange noise.
I looked down the hill and saw a
bear. I noticed it was running after
another bear.

At first, I was really afraid
and didn't know what to do. Then,
I calmed down, as I understood
that the bears weren't interested in me.

Despite my calmness, I decided
not to take risks and got out of there.

I continued climbing the hill and in 30 minutes I was on the top.

b) All in all, I'd say that I enjoyed the stroll. I liked everything - the weather was fine, the sun was shining and the view was absolutely amazing. And, of course, it was a great experience to see these wild animals. This was one of the experiences I'll never forget!
