Вариант 1

1. Answer: adult, colleague, import, export

2. a) I saw a deer running past and, suddenly, heard a roar coming from a bear. I noticed that the bear was going for the poor animal.

I felt really ~~for the~~ sorry for the deer, knowing how ~~his~~ its life would end. It was heartbreaking to see it get eaten.

There was nothing left to do but to walk away. I felt really guilty, even when I knew I could not do anything to help.

b) I was walking along a forest path when I heard a frightening roar. A bear was hunting for a poor deer. I saw the animal get killed by the bear. I left the path ~~feeling~~ feeling terribly guilty after doing nothing to help.

3. 1) False (~~referring to~~ the text says that human activities have been the major cause for the global warming since the industrial age)

2) False (the statement is false because rising sea levels is the result of the Earth warming up: „This phenomenon leads to various problems including... rising sea levels“)

3) True (according to the text reducing emissions can be done by switching to renewable energy sources such as wind or solar power)

4) False (deforestation contributes to climate change because trees absorb carbon dioxide but they are constantly being cut down by people for their own needs)

5) True (as the text says: „... individuals can also play a role by changing their daily habits. This could involve... choosing public transport over a personal vehicle“)

6) Not given

7) False („businesses are also responsible for setting and following guidelines to curb emissions“. therefore, businesses are also required to follow guidelines)

8) True („climate change has already impacted ecosystems and communities worldwide“, which means that all ecosystems around the world are being affected)

9) False (since the ~~the~~ text considers education on the significance of these climate issues and global warming is essential and necessary for the future generations)

10) Not given
