ПОДПИСЬ УЧАСТНИКА

Вариант № 2

TASK 1.

Answer: attention, record, to import

TASK 2.

Suddenly, I saw a big barrel going down the hill and an old man who was running down the hill and shouting.

After few seconds I realised that the barrel was going ~~to~~^{towards} me. I felt scared and jumped on the left quickly. I was shocked and interested in what was happening.

Laying on the ground, I understood

that I was not hurted and continued observing the situation. Soon, the barrel was smashed after a contact with a big grey stone.

When all is said, I can conclude that it is quite important to react quickly at the moment of danger. Just a few seconds sometimes can play a vital role in your life. The main thing is to think about the consequences of your actions.

TASK 3.

Answer:

1-F (In the text we can see a

- sentence in which it is said that the word became popular in the 1980 s.);
2. - T (In the text we can see a sentence in which it is said that greenwashing happens when people promote their products or policies.)
3. - T (In the text we can see a sentence in which it leads to more consumerism, ^{it is said that} massive use of energy and natural resources, and waste);
4. - N F (no information in the text)
5. - T (In the text there is the information that it is very important for consumers, particularly young adults, to be aware of the practice);
6. - T (In the text we can find the information that ^{our main goals -} to use only 100% recycled or other sustainably-sourced materials...);

- In the text, we can see a sentence in which it is said that
7. - F (Most of the world's big companies);
8. - T (In the text we can see a sentence in which it is said that ^{you can} become a better consumer and encourage companies and governments);
9. - T (The text says that companies began to showcase their practices, often making false claims to attract customers, improve their image, and increase their profits.);
10. - NG (no information in the text).
