Задание 2

Task 1. Attention, deliberate, to import, record

Task 2.

a) 1. I have always been into sport. One day I decided to climb a hill. At the beginning everything was perfect. Suddenly I saw that a big cloud covered the sky.

I was so dissatisfied! Moreover, I was even angry as the rain was going to bother me. But to my relief it wasn't raining heavily.

So, to escape the accident, I used my blanket and hid under it. I think it was a great experience!

2. Climbing was my unusual hobby. In Summer I decided to climb a hill near my detached house. I was enjoying the nature when suddenly I heard a strange roar!

I was very scared! I thought that it was a wild animal. I was too nervous to act. My heart sank.

I started to move very quickly. My only dream at those moments was to climb as fast as I could. All in all, it wasn't a fun experience.

3. One day I decided to go camping. When I got to the destination I decided to climb the nearby hill. Suddenly I ~~felt~~ saw that my leg was injured.

I felt very scared because I did not know if it was broken or not. I eventually stopped my activity.

To my relief I had some medicines in my bag. Fortunately, everything was fine. I will never forget this experience.

b) To sum up, the experience that I got due to climbing was very essential. Not only did I get a great impression and enjoyed the nature, but it also taught me a lot of things. For example, I learnt to control my fear. moreover, I ~~least~~ learnt how to behave if you are injured.

Task 3.

1. Not given

2. True. ~~„Greenwashing” means that companies~~ *

Companies use greenwashing because they want to promote their products or policies, attract customers and increase their profits. So, greenwashing can be an instrument of marketing practices.

3. True.

The process of recycling waste is widely used in fashion business. The good example of it is the „Conscious Collection”.

4. False.

The term „fast fashion” is used when we mean that trends are changing quickly, customers are buying more and it leads to the massive use of energy and natural resources.

5. Not given

6. False.

The term „sustainable” refers to product that were recycled for many times, but not that are made from artificial materials.

7. False.

Not all companies, but most of the world's big companies now try to demonstrate that they are eco-friendly and use different

methods to show it.

8. True.

Consumers, especially young adults, can encourage business and government to be more eco-friendly ~~by~~ ~~by~~ by becoming a better consumer and support such companies.

9. Not given

10. Not given
