Вариант 1

N1.

adult, average, moral.

N2.

a)

Whenever I recall that day shock and compulsive laughter overwhelm me. Never before had I seen dancing actors in rags that bear such a likeness to the undead.

Nobody in their right mind would like to have been in my shoes. I was totally stupefied and horrified ^{staring} ~~gazing~~ at the undead, poised to leap away.

I stepped back and turned, my eyes met the eyes of one of those actors. Seeing that I verged on madness, he started conversation and everything fell into place...

6)

So what was that? A group of enthusiasts decided to dress like zombies and shoot a video as a tribute to Michael Jackson upon the release of the „Thriller”. And what I did was offer my credentials as a choreographer.

That scroll left me indelible memories, repulsive and evocative.

N3.

1. False - Human activities have begun influencing climate change to a great extent since the advent of the industrial age, according to the beginning of the text.

2. False - contrary to cooling down, the warming of the planet brings about the rise of sea levels as mentioned in the first paragraph.

3. True - alongside renewable energy resources such as wind solar power is cited as an alternative to fossil fuels that emit vast amounts of gases.

4. Not given

5. True - the third paragraph cites choice of public transport over a personal vehicle as a way to reduce the effects of climate change.

6. False - special agreements are designed to be followed by nations around the globe, as mentioned in the 3rd paragraph by author.

7. False - guidelines are binding on governments and businesses alike, as provided in the third paragraph of the text written by ^{an} author.

8. Not given

9. False - the author of the text underscores the importance of education about climate change, expressing that it is significant and necessary for future generations.

10. Not given

N 4.

1.

1) Conditional clauses

2) Given half the chance, I would fly there tomorrow.

2.

1) Past perfect tense
