Вариант 1

Variant 1

Task 2

Once upon a time I was walking along a forest path. I was alone. Suddenly I saw a pale, tall man in a black suit. That was a vampire.

That may seem weird, but I did not feel fear. On the contrary, I felt happiness, because I have always been fond of vampires.

That is why I rushed to him and asked to turn me into vampire. He did not refuse and bit my arm. Now I am vampire too!

I will never forget that ^{walk} gloomy day in the forest. I cannot express how grateful I am that this sudden ^{occasion} happened to me. Thanks to it I am living my dream life now. One day can ^{totally} change everything! and do whatever I want. One day can totally change everything!

Task 3.

1. False. Human activity has been a ^{major} ~~real cause~~ cause of climate changes since the industrial age, ~~too~~ which began in the 17th century.

2. False. ~~On the contrary,~~ sea levels rise ~~because~~ ^{green} Greenhouse gases ~~to~~ trap heat from the sun ~~and~~, warm the planet, ice caps melt, ~~and~~

sea levels ~~rise~~ rise. So the temperature on the Earth is ~~rising~~ rising, our planet isn't cooling down.
 3. True. The burning of fossil fuels is ~~very~~ dangerous for the climate, because it produces ~~much~~ ^{much} ~~large~~ amounts of carbon dioxide, which pollute the atmosphere and heat the planet. Solar ~~power~~ power is renewable and safe. (the answer is on the 4th page)

4. False. Trees do not release carbon dioxide into the atmosphere when they are cut down. On the contrary, they absorb this dangerous gas, but people destroy forests, making air pollution worse.

5. ~~False~~ ^{True}. Using ^{choosing} public transport over a ~~per~~ personal vehicle is better for our planet, because in that case not so much ~~so~~ dangerous gases are produced.

6. False. Special agreements, as it is written in the text, aim to unite countries in reducing global warming. ~~It~~ They have big scales, ~~not~~ ^{and} they are not just local.

7. False. Businesses are also responsible for setting and following guidelines to improve our environment, because everyone ~~show~~ should be interested in that, not only individuals or government.

8. True. Climate change has already impacted ecosystems and communities worldwide. It is an international problem, which may ~~have~~ lead to dramatic changes in ~~our~~ lives and climate of our planet.

9. False. Education about climate issues

is essential and ~~neeces~~ necessary for us and future generations. People should realize how dangerous and serious this problems with climate are.
10. AS. Not given.
