Вариант 1.

1. Adult, average, moral, monotonous

2. a) I was walking along a forest path, when I suddenly noticed that the path was coming to its end in a few meters.

I was disappointed with the end of my stroll, but ~~was~~ rather happy at the same time, because I was soon to go home. At the end of the forest path, I enjoyed the view for some time and took some photos, then turned around and went home.

b) The stroll wasn't too impressive for me, because I walk that forest path almost every week end. However, the end of the path felt unusual and surprising, because

it never seemed to end so soon as previous strolls. Yet, the forest walks are my favourite activity, so it was enjoyable.
