Вариант 1

Task 1

Answer: adult, to export, import

Task 5

1) am snowed under

2) ran out of time

3) on the breadline

4) am in the red

Task 6

1. c) William Shakespeare ~~Quote 1~~ Quote 2

2. b) Isaac Newton Quote 3

3. a) Guy Fawkes Quote 1

Task 2

a) I was walking along a forest path, when I saw a big bear. It was brown with black ears. Then I saw a second bear. It was big too.

As for me, I was very frightened.
I felt very nervous at that moment.
To tell the truth, I wanted to cry.

Then I started running as quickly, as
I could. When I saw my house, bears
were far away from me. I fell on
the ground, because I was very tired.

b) To tell the truth, I was very
frightened, because I had never seen
bears before that day. When I was
looking at them, my hands and legs
were cold. Actually, I was very proud
of me. But I don't walk in ~~fores~~
that forest anymore.

Task 4

1) The rule: Complex Object

My example: If the ~~weather~~ weather is fine, we will go to our country house.

2) ~~Past Perfect Tense~~

The rule: Past Perfect Tense

My example: I was very happy as my mother had forgotten about my exam.

3) ~~Future Simple Tense, The Nearest Future~~

The rule: Future Simple Tense, The Nearest Future

My example: I am going to Spain tomorrow.

Task 3

1) False

I think it's false, because while climate fluctuations can be natural, human activity has been a major cause since the industrial age.

2) False

I think it's false, because the excessive levels of ~~greenhouse~~ greenhouse gases are resulting in a warmer Earth and it leads to rising sea levels.

3) True

I think it's true, because reducing emissions is crucial in tackling climate change and this can be done by switching to renewable energy sources as

solar power.

4) Not given

5) True

I think it's true, because individuals can also play a role by changing their daily habits like choosing public transport over a personal vehicle.

6) False

I think it's false, because international cooperation is equally vital for effective action and special agreements aim to unite countries in reducing global warming.

7) Not given

8) True

I think it's true, because climate change has already impacted ecosystems and

communities worldwide and as the longer we wait, the more ~~dras~~ drastic the changes are.

9) false

I think it is false, because education on the significance of these climate issues is essential, and although change can be difficult, it is necessary for future generations.

10) Not given

Task 7

1) King Richard — the King Richard
