Task 1. Adult, average, import, moral

Task 2. a) - I was wandering through the green corridors of nature with my old hand-held camera. Suddenly the evening silence got demolished by the ~~low~~ voice of ^{an} owl sitting on a tree.

- I got shivers down my spine as the sound was very sudden. But when I looked up, I was over the moon! The owl was very rare for this habitat.

- I was delighted by my own luck so I found the camera and took the most memorable photo! Now I have this picture placed on the wall at my house.

Я I was walking in the forest when I heard the rare owl species sitting

on a tree branch. I aimed my camera towards it and took a great ~~the~~ photograph. Now the picture is placed in the wall of my house reminding me of this curious situation.

Task 3.

1. FALSE: According to the text, ~~human~~ human activities have begun to influence climate change since the industrial age. So, the affirmation about the recent start of the impact is False
2. ~~FALSE~~ FALSE: According to the text, rising sea levels are considered to be the result of

Earth warming up, "cooldown" is the author's opinion of "warm up".
