Задание 8

An advertisement "Reduce speed now" is very common on banners next to roads. It might sound confusing without any pictures or context, but it is about speeding when driving. While you are driving somewhere far, you may get to drive on roads where there are less cameras, less police. Sounds like a good place for speeding,

right? Well, it is very dangerous!
You can lose control of your car
and get into a car crash!

People must take this advertisement
seriously because breaking the
speed limit is not only
lawbreaking, but dangerous too!

Задача 4

A: Ann, where are you? I have been
waiting for you for almost two
hours!

B: Alex, can't you just wait a bit?
I'm almost done!

A: Alright. When are you going out your house?

B: A couple of minutes, like ten or fifteen.

A: Ah, finally! Where are we going?

A park or a restaurant?

B: A restaurant would be nice. I'm very hungry!

A: Ahn, you ^{can} ~~could~~ eat at home!

B: Alex, that ^{one} restaurant just opened. I wanna try it!
