Task 8.

REDUCE SPEED NOW.

"REDUCE SPEED NOW" - What a loud and harsh phrase to put into the advertisement. But where people would actually see this? I suppose that it depends on the meaning. Personally, I'd put those words on a sign in the middle of the road. It's vital that drivers see it and lower the speed of their

cars to avoid car crashes. Maybe the phrase  
would sound appropriate in the  
crowded place like Times Square where  
the noise is constant and people are  
always rushing. A good reminder to slow down  
and be more mindful.
