Task 4

2) As Oliver had a few friends, he received emails once in a blue moon, so he felt strange, reading an email.

"Hi Oliver,

We're the Green Movement in the USA. We ~~had~~ had noticed your excellent green fingers, ^{and} later suggested you helping us with ^{increasing green spaces} ~~environment~~ in ~~Russia~~ California.

Unfortunately, you need to move to California, but in ^{the} final straw you'll ^{be} ~~get~~ high-paid. If I were you, I'd definitely

agree. "

Well, some you coming with us on a project
"Green spaces." Then call us.

4) Oliver decided to think over the email the next morning. He barely makes ends meet, so it's pathetic that it's a chance to gain money. However, he's ~~been~~ been living in his village ^{by and large} for 15 years, so he'll miss ~~his~~ home. ^{long} ~~long~~ Finally ~~surely~~ sure, Oliver ~~he~~ came up with a decision. No sooner did he agree to join the team, than he got another email. He understood where he ~~can~~ ^{could} find his ~~future~~ ^{team} colleagues.

6) After two months passed Oliver realised how reluctant he was earlier. Now he is happy to care about the environment and take advantage of it by being well-paid. He wishes he ~~can~~ immediately join this team to help the planet. It's a ~~poss~~ ^{poss} that they meet him. He sees the value of

every plant and action he takes. However, he can't stand that all people are always polluting ~~the~~ space ~~without any borders~~
