Task 8:

The "FLAT TO LET" advertisement is a powerful slogan <sup>utilised</sup> to quickly find clients to rent ~~a~~ flat in two flicks of a lamb's tail. It may be spotted on the main streets of a bustling town, near the flat's location. The advertisement may refer to a vacant apartment for those, who need housing urgently. This slogan is short and, therefore, compelling. Addition<sup>ally</sup>, it employs alliteration of the letter "T" in order to appeal to the target audience. Therefore, those passing by may take the renting company up on the offer or ~~see~~ recommend the flat to their acquaintances.
