TASK 8

2) Reduce Speed Now.

~~Hundreds of people die because of car accidents, commonly it happens because safety rules are ignored.~~

Advertisements that ask drivers to slow down can be seen near the roads on the billboards or big screens.

They refer to drivers ~~who disobey the rules~~ who disobey ^{the} rules.

I guess that these advertisements may be taken into consideration for some reasons. First, because they are

~~Bright and~~ eye-catching. They work like reminders:

once the driver sees them, he starts thinking about his

own speed. Secondly, ~~the~~ advertisements usually demonstrate pictures of car accidents that might scare the driver: ~~As soon as~~ ^{when} he understands the danger of rushing down a high speed, he reduces ~~the~~ the speed.
