This advertisement can potentially be spotted on some highways, especially cross-state ones, or in New York, where all streetcars gangs are operating and where the police can't run cars. This advertisement might refer to some drivers who's got blood pumping in their veins making 'em wanna here

some adrenaline, like the aforementioned street racers, cause they're just kids and teens, it might stop'em from risking their and other's lives. People ~~who might take it~~ catch the ad's point cause every driver's got a family waiting him to come home safe and alive, and this thought is much stronger. ~~than the intention to satisfy your adrenaline hunger.~~
