It may refer to people, who are suffering from ~~some mental~~ <sup>some</sup> problems with their mental health. Life in huge cities, considerably influences on lifestyle and mindset. So vast majority of people are living in constant hurry, which causes huge <sup>57</sup> stress. ~~They~~ Such people have <sup>enormous</sup> huge to-do list, busy days and they may even forget, how it feels to be free and relaxed. ~~So this advertisement might be very helpful for exhausted people. It can work as a reminder. It may remind people. It might pay people attention to their own problems and encourage them to change their life.~~ <sup>Advertisement drew</sup> ~~change~~ <sup>change</sup> ~~their love.~~ <sup>6</sup> Go to psychology section for example.

28

This advertisement you may see practically everywhere. But more likely it may appear in clinics on psychology sites. It may refer to people, who are suffering from <sup>certain</sup> problems with mental health. Life in huge cities considerably influences on people's lifestyle and mindset. So vast majority of people are living in constant hurry, which causes huge stress. People may even forget, how it feels to be free and relaxed. And this advertisement might draw people attention to their own problems and encourage them to change their life. For example go to psychology session.
