Task 8.

- I'd like to comment the second advertisement.
- The advertisement says that wearing sports shoes is obligatory. Probably, you can see this advertisement in a gym or a fitness center. It obviously refers to the people who train there, because exercising without special shoes ~~is~~ not only ^{makes} ~~leaves~~ the floor dirty, but it can also be dangerous. The advertisement is really short and clear, so it easily catches attention and people take it into consideration.
- I like this advertisement because it's very simple, short and formal, and that's why it's so catchy.
