## REDUCE SPEED NOW

The REDUCE SPEED NOW is a social advertisement. You might see it on the billboard next to the road. The advertisement might refer to the drivers ~~that~~ who break the speed limit. Breaking the speed limit is very dangerous and can cause an accident. People might take this advertisement into consideration because nobody wants to cause a car crash or kill somebody. This advertisement is very important

because there is nothing more important than keeping the roads safe and, therefore, safe people's lives.
