Task 4

Paragraph 2.

The need to make a decision has been placed at the back of Clara's mind. She'd better turn blind eye than to imagine ~~to~~ herself taking someone's place because of computer mistake. From the one side she was never interested in such programmes. On the other hand Clara found it a perfect opportunity for her future career. ~~Girl~~ Girl realised that sooner or later she would have to make the decision.

Paragraph 4.

After Clara had listened to her classmates she was

sixes and sevens. She realised that she was on the verge of doing something awful. Something that was extremely opposite to Clara's principles. Time ~~was~~ for ~~making~~ making a decision was getting very close to the end. It ~~was~~ had been such a nervous and hectic period for Clara. Emotional pressure won girl's rational part and she accepted the inviting in one go.

Paragraph 6.

Clara must thought for hundred times before taking not her opportunity for granted. Exchange ~~program~~ programme would have straightforward led to great abilities and maybe even new friend in future. Unfortunately for Clara it was only system's mistake, so it can be said that Clara had stolen a ticket to the golden future and rewarding for this was a great life lesson that nothing could be given so simply. Clara lost her friends but get such a valuable experience.
