Task. 8

2)

I think that the "REDUCE SPEED NOW" advertisement might be seen along the road as a banner, so drivers will definitely notice it.

I can firmly say that this advertisement refers to drivers who do not check their car's velocity or drive ~~drunk~~ drunk. This banner also refers to drivers who are in the car with their families.

In my opinion, the person might not take into consideration this advertisement, because he will realise that if he drives fast, he can manslaughter people or ~~even~~ get in a car crash. In the moment of realization he will decrease the speed.
