## Paragraph 2

He was offered a job in a well-known company. ~~Oliver would have chased the opportunity without hesitation if he had been prepared for it and informed about it in advance. Oliver would have tried to get this job even earlier if he was not afraid of adjusting to some new circumstances and had been a risky person. #~~ So he started to think about refusing, even though he knew that such chances appear once in a blue moon. As a final straw, the job demanded those

qualities <sup>leaving his home</sup> to be in team's element.

#### Paragraph 4

~~He laid in his bed in a pathetic way~~  
Being tortured by his thinking about the proposal in question, he laid in his bed in a pathetic way. By and large, he has been working at his current place for ages. Hardly did he wanted to answer the email. ~~Still~~, he still, he ~~he~~ decided to do it to make ends meet and to stop his overthinking. Later he was proposed to get acquainted with the team.

#### Paragraph 6

He tried to hide his ~~excitement~~ happiness and be more reluctant to the new place. He was irritated because he had realized, he could have done something significant earlier. He asked himself in an annoyed way: "What am I thinking about? The past is gone, I need to keep going". Finally, Oliver decided to chase the opportunity, to take advantage of it and ~~push to~~ push.

#### Task 5

- 1) Busybody — is a person who knows all the rumors, can't hide secrets and impolitely interferes in other person's life.
- 2) To be poised to do something — means to intend to do something and to be ready to do something.
- 3) To agree to disagree — to accept the fact that ~~your opponent~~ opponents have different views on a

subject or on a problem.

- 4) Sluggish — ~~an~~ is an adjective that means lasting, long and lacking ~~of~~ energy.
- 5) To pan out — is a verb that means to turn up or to come out, mostly successfully.

Task 6.

- 1) She had never experienced such pressure before.
- 2) ~~I told you I should have told you earlier.~~
- 3) It was his honesty that impressed me.
- 4) ~~She would reacted differently if she~~  
Had she known the truth, she would have reacted differently.
- 5) The plan is believed to be unrealistic.
- 6) He kept working, although he was exhausted.
- 7) It was such a complicated task that few ~~esp~~ completed it.

Task 7.

~~1) Newton did not develop the theory of evolution by Charles Darwin developed the theory of evolution by natural selection. Newton did not do it.~~

1) Charles Darwin developed the theory of evolution by natural selection, Newton did not do it.

2) Albert Einstein did not discover the structure of DNA ~~together with~~ as he was a physicist, not ~~biologist~~ did not study biology.

3) Marie Curie did not invent the first practical telephone, Alexander Bell contributed to it.

- 4) ~~Isaac~~ 4.) Isaac Newton was the first scientist to discover gravity, not Charles Darwin.
- 5.) Nicola Tesla was not responsible for developing the first steam engine.
