By the way, look who's sitting at my doorstep.

Alex: Aww, you've got a cat! He's so beautiful.

found him.

Alex: Alright, what breed is he?

Andrew: Actually, I'm not sure.

Alex: Alright, tell me when you know.

Task 2.

In my flat to let
In my humble opinion such
an advertisement might be
seen in many places. However
the place, where you are most
likely to find this advertise-
ment is undarguably Moscow.

The aforementioned advertise-
ment might refer to a person
who may have multiple flats

in ~~in~~ Moscow and is trying to make money by letting one of his flats.

As for the reason people may take this advertisement into consideration, the answer is rather simple. Flats ~~in~~ in Moscow are very expensive, therefore people may want to have a temporary flat instead of buying a permanent one.
