The advertisement 'SPORT SHOES ARE REQUIRED' might be seen at a gym, sports center or just any place related to doing physical activities.

The advertisement might refer to the people who are going to visit the place for the purpose of training, doing exercises, jogging, etc. People should take this advertisement into consideration because of mainly two reasons.

Firstly, people not wearing a comfortable pair of shoes for doing sports might lead to traumatic experience. Secondly, people should have shoes to change so as not to -

- pollute the place when going in from outside.
