Task 8.

1) A flat to let

All people need a place to

live. And nowadays, flats are the most convenient spots to inhabit.

Such advertisements are frequently seen on the walls and the doors of the buildings. This is done for people who need them to notice.

The advertisement might refer to the students who do not live in a dormitory. That condition demands a flat.

People might consider this advertisement because it lets them satisfy their strong

needs. A person that does not have a flat struggles with lots of difficulties. Moreover, having it is significant for maintaining physical and mental health.
