## Task 8

Walking past a hotel, you might see signs, hanging on doors, saying "BREAKFASTS ARE NOW BEING SERVED." This means that the hotel has morning meals for sale, even for those people who aren't staying at the hotel. Well, certainly the food's price could be higher, than in most places that serve ready food, but the quality of the food in hotels is much better. Maybe you live near ~~is~~ a hotel like this or you oftenly drive past it, ~~and~~ you can ~~come~~ come in for a pleasant breakfast. I ~~personally~~ love stopping <sup>at</sup> such a place on my way to work. ~~and I think everyone should try doing so.~~
