Task 4.

Paragraph 2.

Oliver was nervous all the week after he had ^{received} ~~got~~ the email once in a blue moon. He felt uncertain and wasn't dare to open the envelop. The nightmares about his future life commenced ~~to~~ ^{to} disturbing Oliver. It was he who started contemplating and apparently wasn't in his element. But the final straw was when pushed by his nearest and dearest Oliver eventually opened the

So-called Pandora's box.

Paragraph 4.

He thought about money.

Big and large, our character barely made ends meet.

'I've been working in order to get pennies,' Oliver always said to people. It sounded a bit pathetic and turned everyone who listened to Oliver's tirades into an awe and sympathy.

Always did he dream about being wealthy and without need to amass money to pay the bills or to buy products.

Paragraph 6.

Once he knew it was a great deal he talked to everyone,

'I can miss my previous way of living when every Tom, Dick and Harry told me that I'm wasting my time but I'm no longer reluctant to make up a decision that can lead me into new and posh life where I could take advantage of the last version of me and be satisfied.'

Task 5.

1. busybody

1) someone who is in privileged position by knowing about something in advance.

2) someone who is active and try to engage in different events as much as possible.

3) someone who is in low rank ^{in military order} - ~~level~~ doesn't need to take part in serious events.

4) someone who is so curious that ~~can~~ can ~~interfere~~ ~~into~~ one's invade one's privacy being too noisy.

5) someone who works a lot and leads a quit lifetime.

2. to be poised to do smth.

1) to be eager to react to situation or act of people.

2) to have a huge desire to be the best even though there's a

little possibility of it.

3) to be reluctant in doing something because of fear or indecisiveness.

4) the fact that something is possible to become better or worse.

5) to have a desire to change's one's was tremendously.

3. to agree to disagree

1) to stop ~~one's~~ thing in order to turn to another.

2) not to have a common opinion about something and fail ~~to~~ to reach an agreement.

3) to make the differences more apparent ~~and~~ so it can have a detrimental impact on people.

4) ~~the desire~~ the lack of cooperation and support that can make the ^{confrontation} ~~discussion~~ continue.

5) a situation when people constantly quarrel with

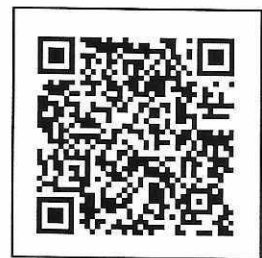

each other in favour of showing they're right.

4. sluggish

- 1) ^{something} not in time, that can be shipped to a person after it had to be.
- 2) without any energy and tired
- 3) little progress, often at the beginning of something new and undiscovered for a person.
- 4) at slow pace because ~~of~~ a person is tired or just got up.
- 5) without much progress and change due to objective and subjective reasons.

5. to pan out

- 1) about something that doesn't fulfill someone's expectations or went differently from the way it was meant to be.
- 2) conclude, about the end of situation or event

3. ~~hide or exist~~ ~~dis~~ vanish, about something that can ~~been~~ become inevitable by the work of a person.
4. happen or become real
