Task 4

Paragraph 2

It was an email from an unknown company.
Its director mentioned a hopeful project his

team had designed. He added that if he had had a chance to invite Oliver earlier, he would have done it immediately. However, the headmaster was in his element and managed that Oliver checks the email once in a blue moon. That's why it had been impossible to come to the final straw.

Paragraph 4

He was dreaming about his usual job. "I have been working here for 15 years. On the other hand, I am not ready to continue making ends meet" — he was criticising his life as he needed to encourage himself by and large. He was pathetic to his friends' opinion, so his thoughts were about their conversation. He remembered

their words: "We've never left our stable position!"

"Neither had I" - he answered.

Paragraph 6

Oliver thought about his chance properly.

"If only I could join you earlier" - he said.

Oliver was brave enough to take advantage of this job, although he understood that he was

reluctant to the previous one. Surprisingly, he phoned his old boss and screamed: "I'm not

going to come to the office tomorrow. I'm

anxious that's why you're paying me the salary today". Then he signed all papers and began

a new life
