Task 7

1. Incorrect statement: Newton developed the theory of evolution by natural selection.

Correct one: Newton developed the theory of gravity after the apple fell from tree to his head.

2. Incorrect statement: Einstein discovered the structure of DNA together with James Watson and Francis Crick.

Correct one: Albert Einstein's ~~research~~ researches were absolutely new for that time and had huge effect for scientists.

3. Incorrect statement: Marie Curie is also known for inventing the first practical telephone.

Correct one: She was supported by her husband, they researched radium together and died because of it.

4. Incorrect statement: Charles Darwin was the first

scientist to discover gravity.

Correct one: Charles Darwin was the first scientist whose theory of evolution was based on rational facts.

5. Incorrect fact: Nikola Tesla was also responsible for developing the first steam engine.

Correct one: Nikola Tesla is best-known for his works about electricity and first (prototop) prototype of lamp.

Task 4

Paragraph 2:

Oliver had never waited something like that. He had always thought such situation can be once in a blue moon and not with him. "However, maybe after that I'll be in my element" - Oliver thought. He slowly opened email. There were a special offer for him. "If I had never opened this email, I wouldn't have had any doubts..." - Oliver had such thoughts in his mind.

Paragraph 4:

Oliver has been thinking about this offer for two days and nights. He had pathetic doubts and ideas. Oliver could not eat well, sleep well and work well because his head was full of ideas. Finally, he decided to make ends meet and do something with it by and large. Oliver decided to reread this offer and after that noticed an option of informal meeting with the company.

Paragraph 6:

"I'm always changing my opinion ~~at~~ at the last moment!" - shouted Oliver when he came back home. "I could never open this email and now I'd live my normal predictable life" - Oliver continued. After that scream he had no energy and posh. All his power was reluctant. In a few days Oliver came back to the office and agreeded their offer. Oliver decided to take advantage of such chance.
